

Hull Package — Ready to Sail

The Devoti ILCA hull is built for consistency and reliability at championship level. Every charter hull is delivered clean, inspected, and class-compliant—so you can focus on sailing, not setup issues.

What Makes It Special

- Class-compliant Devoti ILCA hull with certification documents
- Clean, race-ready handover standard (inspected before delivery)
- Proven deck layout for efficient control-line routing
- Refined cockpit ergonomics for long training days and racing
- Durable, competition-grade white gelcoat finish

- ❏ **Handover Standard:** Each hull is delivered clean, inspected, and class-compliant. Bailer is tested, toe strap is fitted, and the hull is ready to accept your team's sail and rigging for immediate training or racing.

What's Included (and What's Not)

INCLUDED (Charter Package Includes)

- Devoti ILCA hull, ready to sail
- Bailer fitted
- Padded toe strap with grip
- Complete ILCA 4 spar set (lower mast + upper mast)
